## Terms

EverReady Australian Shepherd puppies will be carefully evaluated before being old enough to go to their new homes. We will identify puppies suitable for the home, life style, planned activities and personality of approved applicants. A suitable puppy may not be of the gender or color you prefer. If a suitable puppy doesn't fit your preferences, you'll have the option to apply your deposit for another puppy, apply it to a future breeding or forfeit the deposit. Deposits will only be refunded if there are no puppies or not enough puppies to satisfy the reservations.

When we receive and approve your completed application, your name will be added to the waiting list. We'll notify you when a litter is planned to verify continued interest. At that time you may reserve a puppy by sending a non-refundable \$150.00 deposit, which will be deducted from the total purchase price. No reservation fee - no puppy will be held for you.

- ♥ You WILL become a member of the EverReady family, if we place a puppy with you.
- ♥ You MUST stay in contact, updating us on your progress so we can support your success and help prevent any problems. We love pictures, brags, notes and visits.
- ♥ The dog MUST be returned to EverReady Australian Shepherds if you are unable or unwilling to keep it.

I accept and agree to these terms.
